

List1

DataCamp 001-Beginner

002-Intermediate

List1

Examining the History of Lego Sets	pandas (data manipulation)
Exploring NYC Public School Test Result Scores	pandas (data manipulation)
Extracting TV Data Insight	pandas (data manipulation)
Generating Keywords for Campaign	pandas (data manipulation)
Getting a Good Night's Sleep	pandas (data manipulation)
Intake Calculator	json (file processing)
Investigating Netflix Movies	pandas (data manipulation)
Tech Talent Recruiting with Regex	pandas (data manipulation)
Uncovering the World's Oldest Business	pandas (data manipulation)
Vehicle Charging	pandas (data manipulation)
Visualizing the History of Nobel Prize Winners	pandas (data manipulation)
Analyzing Flight Delays and Cancellations	pandas (data manipulation)
Analyzing Online Sports Revenue	pandas (data manipulation)
Analyzing River Thames Water Levels	pandas (data manipulation)
Analyzing LA Crime	pandas (data manipulation)
Building a Retail Data Pipeline	pandas (data manipulation)
Cleaning Bank Marketing Campaign Data	pandas (data manipulation)
Clustering Antarctic Penguin Species	pandas (data manipulation)
Compare Baseball Player Statistics using Visualization	pandas (data manipulation)
Consolidating Employee Data	pandas (data manipulation)
Customer Analytics	pandas (data manipulation)
Data-Driven Product Management	pandas (data manipulation)
Dr. Semmelweis and the Importance of Handwashing	pandas (data manipulation)
Exploring Airbnb Market Trends	pandas (data manipulation)
Facial Recognition with Supervised Learning	pandas (data manipulation)
Finding Exchange Rates for International Sales	pandas (data manipulation)
From Data to Dollars	pandas (data manipulation)
Hypothesis Testing in Healthcare	pandas (data manipulation)
Hypothesis Testing with Men's and Woman's Soccer Matches	pandas (data manipulation)
Inspecting Electric Vehicle Charging Trends	pandas (data manipulation)
Interstellar Delivery	datetime
Modeling Car Insurance Claim Outcomes	pandas (data manipulation)
Movie Rental Duration Prediction	pandas (data manipulation)
Performing a Code Review	pandas (data manipulation)
Powering Data for the Department of Energy	pandas (data manipulation)
Predicting Credit Card Approvals	pandas (data manipulation)
Understanding Subscription Behaviors	pandas (data manipulation)
What's in an Avocado Toast	pandas (data manipulation)
Will This Customer Purchase Your Product	pandas (data manipulation)
Word Frequency in Moby Dick	requests
